SOUTHERN DIVISION

IN RE:

BRUCE GILBERT MCCUTCHEON  
LISA DIANE MCCUTCHEON

as Debtors,

No. 11-27943

Chapter 7

**OBJECTION TO CLAIM**

On 31 May, 2011 The "debtors" MCCUTCHEON initiated and commenced this Chapter 7 case. On 30 June Kent W. Plott and Mark S. Middlemas have written my name and used my property without permission with their issued APPEARANCE OF COUNSEL. Such was filed by Mark S.

Middlemas wherein he makes fraudulent statement that: "*Lundberg & Associates enters on appearance on behalf of Federal National Mortgage Association ("Creditor") , a secured creditor in the above-referenced bankruptcy. Please add the following to the mailing matrix.*" etc.

Bruce Gilbert McCutcheon himself objects to this claim for the following reasons:

1 of 2

1- Lundberg & Associates etcetera all; are established on the public record as delinquent debtors in this matter. They now owe the subject estate over NINE MILLION DOLLARS in coin specie. They have made no payments as of filing this motion.

2- Lundberg & Associates etcetera all are found in collusion of fraud and consenting to judgement relative to this instant matter.

3- It is an impossibility in law for Lundberg & Associates etcetera all; being insolvent in this matter, to represent any party whatsoever here. They have no standing at this time above being Libelee debtors.
